

Class XII -First Term Examination Syllabus

KMC Bagbazar

Biology

Botany

1. Plant Anatomy

- Meristem
- Permanent Tissue
- Special Tissue
- Vascular Bundles

Question Pattern: MCQ — I I S.Q-1 IL . Q—None

2. Plant Physiology

- Plant Water Relation
- Photosynthesis — up to Photosynthetic Apparatus

Question Pattern: MCQ -2 | s.Q- 1 | L.Q- 1

3. Genetics

- Genetic Materials
- Mendelian Genetics — up to Monohybrid Cross

Question Pattern: MCQ-21 S.Q- I I L.Q- 1

4. Embryology

- Natural Methods of Asexual Reproduction
- Artificial Methods of Asexual Reproduction — except Tissue Culture

Question Pattern: MCQ — None I S.Q — I I L.Q — None

Zoology

1. Animal Tissue

- Epithelial Tissue
- Connective Tissue o Connective Tissue Proper o Skeletal Connective Tissue

2. Diseases

- Typhoid
- Tuberculosis

3. Development of Frog

4. Human Digestive System

5. Human Circulatory System

Physics

I. Magnetism

- Up to Torque on a Current-Carrying Coil

2. Modern Physics

Up to Quantization of Energy, including:

- Bohr's Postulates
- Radius of Bohr's Orbit
- Energy of Electron
- Spectral Series
- Energy-Level Diagram
- Excitation Potential
- Ionization Potential • Emission Spectrum
- Absorption Spectrum

3. Wave

- Waves in Pipes
- Waves in Strings excluded

4. Mechanics

Simple Harmonic Motion (SHM)

- Complete

Rotational Motion

- Included, except:
- Conservation of Angular Momentum o Work and Power in Rotational Motion

Chemistry

1. Physical Chemistry

- Up to Ionic Equilibrium

2. Organic Chemistry

- Up to Victor Meyer's Method

3. Metals / Inorganic Chemistry

- Up to Reduction of Nitrobenzene

Mathematics

1. Algebra

- Up to Permutation and Combination

2. Calculus

- Up to Differential Equations

Thank you, KMC Bagbazar
